FCS Family,

As the planning process for the 2020 Virginia Association for Teachers of Family and Consumer Science (VATFACS) conference is underway, I am humbled to be serving as the organization's president. It has been a privilege to work with our board of directors and FCS educators across the state as we bring our conference to Northern Virginia for the first time!

The board of directors invite you to join us at this year's summer institute from July 27 to July 30, 2020 at Hilton McLean Tysons Corner. The institute theme, "Reflecting Diversity in FCS," will focus on addressing diversity, equity, and inclusion in Family and Consumer Sciences. I encourage you to share your expertise as a session presenter or assist as a session facilitator during breakout sessions.

VATFACS is committed to bringing Family & Consumer Science into the spotlight of education and have others join us as we #SayYestoFCS together! Let's join together as we strive for equity and excellence for all students!

Sincerely,

Julia Henderson

WE NEED YOU!

Accepting nominations for 2020-2021
VATFACS Board of Directors positions.

Nominations are due no later than March 31, 2020.

2019 VATFACS Professional Development Institute in Review

The 2019 VATFACS Professional Development Institute (PDI) was held July - July 28 - August 1, 2019 at the Wyndham Virginia Beach Oceanfront in Virginia Beach, Virginia. Attendees participated in breakout sessions, keynote addresses, FACS Infusion Sessions, and a Kitchen Krawl at the Culinary Institute of Virginia.

VATFACS PDI provides an opportunity for FCS professionals to obtain a Virginia Department of Education update, network with colleagues from across the state, and obtaining required CTE industry credentials prior to the start of the school year.

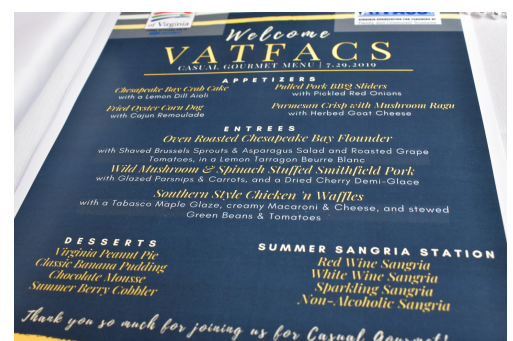

The VATFACS Board of Directors wishes to thank our 2019 PDI Sponsors - Johnson & Wales University and Shenandoah University for their support!

CTE Legislative Update

With the demand for technical skills growing, America needs more funding to expand and improve CTE programs to serve more learners. The following are funding priorities for Virginia's CTE programs during this legislative session:

- ***CTE Resource Center (industry-based instructional resources for Virginia educators)***
\$1.2 million

The Verso website is the only source for comprehensive information about credentials offered to Virginia students (aligns with the Profile of a Virginia Graduate's content knowledge, workplace skills, and career exploration requirements). Verso is in critical need of updating (new data base, website, cloud-based) to continue to be relevant

- ***Increase Allocations for Credentialing Assessments***
\$1.5 million

The Profile of a Virginia Graduate initiative increases the opportunity for all students to earn a credential beginning with the ninth-grade class of 2018-2019. Students entering the ninth-grade before 2018-2019 school year and seeking a Standard Diploma are required to obtain an industry credential. School divisions must allocate local funds for credentialing assessments.

- ***Funding for Work-based Learning Coordinator(s) for local School Divisions***
\$8 million

Work-based learning (WBL) is a school-coordinated, coherent sequence of on-the-job experiences that are related to students' career goals or interests, are based on instructional preparation, and are performed in partnering with local businesses, industries, or other organizations in the community.

Additional bills of interest to CTE Educators and Administrators include:

- HB 29 - Del. Torian - Budget Bill (pending as of 02/28/2020).
- HB 30 - Del. Torian - Budget Bill (pending as of 02/28/2020).
- HB 112 - Del. McNamara - Standard diploma requirements, dual-enrollment, and work-based learning options. Incorporated into HB 516 (approved by the Governor, effective 7/01/2020).
- HB 194 - Del. Orrock - Community Colleges, State Board for; degree for completion agreements, plan, and framework (continued to 2021 session).
- HB 195 - Del. Orrock - Higher Education for Virginia, course credit for dual enrollment, strategies (continued to 2021 session).
- HB 229 - Del. Freitas - Public institutions of Higher Education, per-student enrollment-based funding; non-credit workforce (continued to 2021 session).
- HB 836 - Del. Foy - Department of Education. Microcredentials and standards. Passed House and Senate 03/02/2020).
- SB 142 - Sen. Dunnavant - Virtual Virginia; availability to all public schools (in conference committee).
- SB 146 - Sen. Stuart - Higher educational institutions, public, tuition and mandatory fee increase (stricken in committee at request of patron, 02/06/2020).
- SB 551 - Sen. Ruff - High school graduation requirements; standard diploma; workforce skills training. (stricken in committee at request of patron, 02/06/2020).
